6.1 John and Pam talked about the ongoing Covid-19 situation. Thank you for being understanding and working with staff to keep everyone safe. Explained to residents that family will not be allowed access into the building under current restriction so we will continue with facetime / Skype visits. John explained how we will continue with our external visits except in the morning and weather permitted days they will take place in the atrium. The atrium will be unavailable to residents or staff. He explained that families may resume dropping stuff at the door. New regulations come out weekly so we will make regular announcements for major changes.

6.2 Our hairdresser will be back starting the beginning of next week and reminded the residents that if Covid-19 appears in our building she will not be here. She will take precautions as all staff currently are with wearing a face mask and gloves.

6.3 Tunji will be moving his bible study's back to Wednesday at 2:00.

6.4 Sherry asked the residents for their thoughts on the new summer menus. They were very thrilled with them and are excited to see what's coming in the weeks to follow.

6.12 Saturday recreation programs will be cancelled till further notice.

6.13 Langley mentioned the idea of murals on the elevators and was wondering if anyone had some ideas for the design they would like. Sample pictures will be shared with residents before final selection is made.

7.0 Round Table/Cares and Concerns
