**From Angela Molina
Rehab Aide**

Hello Everyone,

Allow me to introduce myself. My name is Angela Molina. I am the Rehabilitation aide here at Dinsdale Personal Care Home. I have worked at DPCH for the past 11 years. I started off as a Health Care Aide and still work as one on the floors. I have also worked in the scheduling office and now currently work in the rehabilitation office, working closely with the Physiotherapist, Occupational Therapist, the Resident Care Coordinator, RN's, LPN's and Health Care Aides. You will normally find me on the floors assisting with walking programs, exercise programs or in the Restorative Care office located on main floor!

*Sincerely,
Angela Molina*

Fly Fred Fly!!

On July 25th, in The Hauge, Holland, Fred DeGroot was born. Fred attended school in Holland, graduating from grade 12 before heading off to university. While studying at university, Fred also joined the men’s soccer team where he played before moving to Canada. Fred met, and married Johanna, and eventually moved together to Canada. Together, they started a family that started as 2 and eventually became 6. Fred and his wife had 4 children; 2 boys and 2 girls, and were married for 62 years before her passing.

Fred has always had a knack for hands on activities. Working as a tool and die maker in both Holland and Canada, then movin onto his own business running a bicycle and accessories shop for 35 years! You will often find Fred in his room re-building a computer, or flying his airplane simulator that reminds him of his piloting days.
