Rich Kent's Monthly Joke

We all know why vegetarians don't eat meat, but why don't cannibals eat clowns?
Because they taste funny!!

November Babies

Featured Resident >>> Gail White

Gail was born on February 28th, to Margaret and Cecil Smith. The baby girl was introduced to the family farm outside of Foxwarren, MB by her parents and her older brother. She would eventually get to experience the big sister life when her parents blessed her with her baby brother.

While attending high school in Foxwarren, Gail met Gordon White. The two of them fell in love and decided to get married on August 21st, 1954. After enjoying the married life for a couple of years, the two decided to have children. They had 2 boys, followed by 2 girls. Their girls were actively involved in Girl Guides, while the boys took part in Scouts.

Gail now has 10 grandchildren and 12 great-grandchildren that she is very proud of.
